

Assessing Music Meeting Year 3 Expectations

Pupils at the **expected level of attainment** at the end of Year 3 will be able to:

Performing

- ▶ Sing in tune and with good expression, controlling their voice when singing. They play clear notes on instruments.
- ▶ Create a piece of work with a partner using more than one instrument.

Composing

- ▶ Compose melodies and songs, creating repeated patterns with different instruments. They combine different sounds to create a specific mood or feeling.

Appraising

- ▶ Use musical words to describe pieces of music and improve their own work. They use musical words to describe what they like and dislike and recognise the work of at least one famous composer.
