# Day 3 – Friday 3<sup>rd</sup> May 2024

## **Medicines**

If your child needs to take medicine whilst away, put it in a bag with:

- Name
- Clear instructions
- Hand it to Mr Garratt before we leave

## **Travel Sickness**

If your child becomes travel sick, please give them a tablet in the morning before we leave.

Give another pill to Mr Garratt and we will make sure they take it before we set off home.

### **Illness**

If your child becomes ill while we are away, we may need to contact you to arrange for them to be collected.

Please keep your phone switched on, and any costs incurred will be refunded by our travel company insurance.

## **Contacting home**

We will be very busy whilst away and won't have time to phone home! If you have any worries/concerns or need to contact us while we are away, please ring school and they will contact us.

Don't send a phone or device with your child

**Food** 

The hotel provides excellent food that everyone will be able to eat.

Don't send snacks for night time as we find that the children don't sleep properly. School will provide everything that we will need, including sweets and snacks!!!

## A FANTASTIC TIME!

We will have an amazing time while we are away, but remember we are representing our school and we expect best behaviour throughout our visit.
